

Meadowview Heights HOA
Minutes of last meeting on August 8th

On August 8th at 10:08am the meeting was brought to order by Sheryll Hirschi Treasurer. In attendance were; Kirk Antes, Sheryll Hirschi, Sandy Robles, Mike Eigner, Dennis Wood, Judi and Frank Scaletta. Rachel Laub was excused from the meeting.

The new officers were elected; Kirk Antes became the new Vice President and Judi Scaletta took over the vacated Secretary seat. Sheryll Hirschi was re-elected as Treasurer and Rachel Laub remains the President. The financials were reviewed and we received the water bill from Guy for the roads in July, it was \$3,652.00.

The second notice went out to the members still owing dues for this year.

After much research Sheryll and Kirk are moving forward with switching banks to State Bank. Part of the HOA funds will be put in a money market account with better rates. They will meet in Cedar to finalize the transfer.

We voted to move forward with the website update. It appears we have hired a new company and they are completing the update. Sheryll will be the point person with the website company.

Address signs have been approved and ordered. Kirk after many hours of work has received those signs, he and Frank are busy installing them on the lots. We also ordered signs for the stops and the cut.

The roads were addressed again and after some confusion we voted Kirk to be the point person with Guy. He obtained a county permit and Guy should have the roads done by the holiday week-end. We are all hoping this will be a the solution for our problems.

Banners for the entry were discussed again and Sandy was going to do the research on the prices and update us at the next meeting.

Kirk and Frank drove the community and listed approx 123 lots for clean up. Notices will be sent out by the sheriffs office.

The meeting was adjourned at 11am, we accomplished a lot in hour.
